

How to Become a Volunteer Deputy Registrar in Nacogdoches County

Take this packet and study all of the materials in it. The materials in this packet are also available online at www.co.nacogdoches.tx.us/ElectionInformation

Once you have studied all of the materials in the packet, come by our office to complete the Volunteer Deputy Registrar Examination.

Once you have satisfactorily completed the Volunteer Deputy Registrar Examination, a Certificate of Appointment will be issued to you.

Please take your Certificate of Appointment and all other materials in this packet with you when registering people to vote.

Return completed Voter Registration Applications to our office in person within 5 days of accepting them.

Do not register people to vote with Non-Nacogdoches County residential addresses.

Review the applications to make sure applicants have completed checking the citizen and age check boxes, and have provided their names, physical residential addresses, dates of birth, and either Texas Driver's License or Personal I.D. numbers or Social Security numbers. Make sure the applicant signs the application (if he or she is physically able to do so). Applications missing any of this information are incomplete. Please take your time with each applicant and make sure that all of the necessary information has been provided.

The Nacogdoches County Elections Office is here to help you, and we understand honest mistakes are made occasionally. However, please do not begin to register people to vote if you are uncertain about any of the rules regarding voter registration. We will have no choice but to terminate your Volunteer Deputy Registrar status if you return incomplete applications or applications with residential addresses outside of Nacogdoches County. We are absolutely here to help you, and we encourage you, but please understand the seriousness of registering people to vote and understand that we will not defend you if you do not follow instructions and your actions lead to multiple voters experiencing problems on Election Day. Before an applicant walks away from you, review the application to make sure a residential address in Nacogdoches County has been provided along with all of the other necessary information needed to complete the application. An honest mistake on an application is an honest mistake. Negligence resulting in multiple incorrect applications is not acceptable.

Nacogdoches County Specific Procedures *for* **Volunteer Deputy Registrars**

Do not register people to vote with Non-Nacogdoches County residential addresses.

The applicant **MUST** provide a physical residential address within Nacogdoches County:

A P.O. Box is not a residential address.

A local business address is not a residential address.

We need to know where the applicant actually lives in order to assign a precinct.

The Nacogdoches County Elections Office only authorizes you to register people to vote in Nacogdoches County.

Areas/Cities in Nacogdoches County:

Appleby, Central Heights, Chireno, Cushing, Douglass, Etoile, Garrison, Martinsville, Nacogdoches, Sacul, and Woden. If the applicant does not have physical residential address in one of these areas, then do not accept a Voter Registration Application from the applicant.

The applicant may give **ANY** address for his **Mailing Address** including a P.O. Box or an out of town address. This is only for the **Mailing Address**. The applicant **MUST** provide a physical **Residential Address** within Nacogdoches County. The applicant's Voter Registration Certificate will be mailed to the **Mailing Address** provided. If the **Mailing Address** is the same as the **Residential Address**, the **Mailing Address** may be left blank.

Again, do not register people to vote with Non-Nacogdoches County Residential Addresses.

You may give someone a blank application that he can take with him to either mail to our office or to another County's Elections Office, but do not accept applications from people who do not provide Nacogdoches County Residential Addresses.

Return completed Voter Registration Applications within 5 days to our office in person. Do not mail the applications. Do not slide the applications under our door.

Registering S.F.A. Students

When speaking to S.F.A. Students about registering to vote, please make sure they understand that they need to register to vote in Nacogdoches County if they want to be able to vote in Nacogdoches County on Election Day. If an S.F.A. Student is from another County and does not want to register to vote in Nacogdoches County, then he needs to request an application to vote a ballot by mail from his home County if he does not intend to vote in person on Election Day in his home County.

Registering Students Who Live On Campus:

For S.F.A. Students who live on campus in dorms or in other S.F.A. properties, please have them list their residential addresses in the following way:

Griffith Hall ó Nacogdoches, TX 75962
Lumberjack Lodge ó Nacogdoches, TX 75962
Steen Hall ó Nacogdoches, TX 75962

Other examples are Hall 10, Hall 14, Hall 16, Hall 20, Lumberjack Landing, Lumberjack Village, Mays Hall, North Hall, Kerr Hall, South Hall, and Wisely Hall.

Most S.F.A. Students who live on campus have P.O. Box addresses at S.F.A. Please have S.F.A. Students provide their P.O. Box addresses on the **Mailing Address** section of the Voter Registration Applications so that we will be able to mail them Voter Certificates.

An S.F.A. student may not list a P.O. Box address on the **Residential Address** section of the Voter Registration Application. An S.F.A. Student who lives on campus needs to provide the name of the dorm he lives in on the **Residential Address** section of the Voter Registration Application. An S.F.A. Student's P.O. Box address should only be provided on the **Mailing Address** section of the Voter Registration Application. If an S.F.A. Student who lives on campus would prefer to provide another address as his **Mailing Address** other than a P.O. Box at S.F.A., such as his home address in another County, that is acceptable, but please make sure that he understands that his Voter Certificate will be mailed to the **Mailing Address** he provides.

Registering Students Who Live Off Campus:

For S.F.A. Students who live in apartments or other properties off campus that are not owned by S.F.A., please have them list their residential addresses like any other applicants would.

For example, if an S.F.A. Student lives in Whisper Oaks Apartments in Nacogdoches, an apartment complex not owned by S.F.A., he would list his address in the following way:

4721 N. University Dr. ó Apt. #100 ó Nacogdoches, TX 75965

Please make sure that **any** applicants who live in apartments do provide their apartment numbers, whether they are S.F.A. Students or not.

Voter Registration Application Receipts

Please complete the Registration Receipt information at the bottom of the Voter Registration Application. We do not assign Deputy Numbers in Nacogdoches County, so you may leave that section of the Registration Receipt blank. For Receipt Numbers, please number your Voter Registration Application Receipts #1 through #25, and then write down an applicant's information by the corresponding number on your List of Applicants for Voter Registration. This list is your Receipt Book and you will need to bring it in with you when returning completed Voter Registration Applications to the Nacogdoches County Elections Office. You will need to cut the completed Registration Receipt off of each completed Voter Registration Application to give to each applicant at the time of registration.

Your appointment as a volunteer deputy registrar **may** be terminated by the appointing authority if it is determined that you:

- failed to properly review a voter registration application;

- engaged in any other activity that conflicts with your responsibilities as a volunteer deputy registrar.

Your appointment as a volunteer deputy registrar **will** be terminated by the appointing authority if:

Role of a Volunteer Deputy Registrar

Checklist

Before you get started, be sure you have the following:

- A certificate of appointment;
- Plenty of voter registration applications;
- A pen;
- A receipt book;
- This guide; and
- Information on Texas Voting

Distributing and Accepting Applications

You may distribute and accept a voter registration application from any resident of the county who:

- is a citizen of the United States;
- is at least 17 years and 10 months old to register, and must be 18 years of age by Election Day;
- has not been finally convicted of a felony, or if a felon, must have completed all of the punishment, including any term of incarceration, parole, supervision, period of probation, or must have received a pardon; and
- must not have been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated or partially mentally incapacitated without the right to vote.

You may also distribute and accept applications from current registered voters who wish to change or correct information on their voter registration certificate (such as name or address) by checking the "change" box on the application.

Your county voter registrar should provide you with applications containing the county return address. If your county voter registrar does not have enough applications to provide to you, you may print blank applications for volunteer deputy registrars from the Secretary of State's website. These applications should only be distributed to applicants residing in the county. Should you receive generic applications containing the secretary of state's return address, you can distribute to anyone residing in any county; however, you can only accept applications from those registering within the county in which you were appointed.

Assisting Applications

- You may help a person fill out the application if he/she cannot read, or has a physical disability.
- If an applicant cannot sign his/her name on the application, the applicant may make a mark on the signature line. Print the name of the applicant beside the mark. Sign your name and address as the witness and state the reason the applicant is unable to sign.
- You may allow another registered voter (or anyone who has submitted a registration application) to fill out and sign an application for his/her spouse, parent or child. That person must sign the application as "agent" and state the relationship to the applicant on the application. The "agent" must have the permission of the applicant to do this.

Reviewing the Applications

While the applicant is still in your presence, you must review the application for completeness. The following sections of the voter registration application must be completed:

- Section 1: Applicant must select why they are submitting the application (new application, change to current information or request for replacement). Applicant must also answer citizenship and age question;
- Section 2: Full name, including any middle, maiden, or former name;
- Section 3: Residence address must be a street address or a description of the location of the residence;
- Section 4: Valid mailing address, if mail can't be delivered to the residence address;
- Section 5: City and County of Former Residence in Texas;
- Section 6: Date of birth, including month, day, and year;
- Section 9: Texas Driver's License No., Texas Personal I.D. No. or last 4 digits of social security number. If the applicant hasn't been issued any of these items, he or she must check the box in this section affirming this statement; and
- Section 10: Signature of applicant and date of signing. Be sure the applicant has read the statements that he/she is signing regarding qualifications to register and if an agent is registering for an applicant, be sure the agent provides his/her relationship to the applicant.

You CANNOT:

- determine if the applicant is actually qualified to register to vote or
- make the applicant provide his/her gender or telephone number.

Registration Receipt

For each completed voter registration application, fill out a receipt in duplicate and give each applicant the original receipt. The duplicate receipts must be delivered to the voter registrar along with the applications. You may wish to keep copies or stubs for your records. **You should not keep copies of the completed voter registration applications because these documents contain information that is confidential by law.**

Delivery of Applications and Receipts

You must deliver completed registration applications and receipts in person to the voter registrar no later than 5 p.m. on the 5th day after the date you receive them. **FAILURE TO DELIVER AN APPLICATION IN A TIMELY MANNER IS A CRIMINAL OFFENSE.**

SPECIAL NOTE: To be eligible to vote, a person must be registered 30 days before Election Day. When you receive a completed application after the 34th day and before the 29th day before the date of any election in the county, you must deliver the application to the county voter registrar no later than 5 p.m. of the 29th day before Election Day. If the 29th day falls on a Saturday or Sunday or on a legal state or national holiday, the deadline for delivering the applications is extended to 5 p.m. of the next regular business day.

When is the Registration Effective?

- Tell the applicant that he/she can vote as soon as the 30th day after submitting the application. This 30-day waiting period starts when the volunteer deputy registrar receives the application form.
- If the applicant is under the age of 18, the registration will become effective on the 30th day after the voter registrar gets the application or on the applicant's 18th birthday, whichever comes later.

How long is the Registration Effective?

Tell the applicant that the registration will be automatically renewed every even-numbered year unless:

- the voter moves to another address; or
- the voter receives a final felony conviction and has not completed the sentence, probation or parole or been otherwise pardoned or released from the resulting disability to vote. Note: "deferred adjudication" does not constitute a "final felony conviction."

Address Changes

If the voter moves within the county, he/she must update the address on the registration by:

- making the change on the back of the voter registration certificate and mailing it to the county voter registrar;
- submitting a new application to the voter registrar and check the box for "change"; or
- writing a letter to the voter registrar explaining the change of address.

If the voter moves to another county, he/she must register to vote in the new county of residence.

Name Changes

Voters can make necessary name changes by:

- providing the name change on the back of his/her voter registration certificate and mailing it to the county voter registrar;
- submitting a new application to the voter registrar and check the box for "change"; or
- writing a letter to the voter registrar explaining the name change.

Frequently ASked Questions

Q: I have been designated a deputy registrar from County X. I will be at an event that will have attendees from County X along with County Y and County Z. May I register people from County Y and County Z?

A: No. Volunteer deputy registrar status is conferred on a county-by-county basis. To accept applications for Y or Z counties, you would have to become a volunteer deputy registrar for those counties. You could certainly give applications to the attendees from County Y and County Z and direct them to mail the application to the appropriate county voter registrar's office. Under Section 13.044 of the Code, a person commits a Class C misdemeanor by acting as a volunteer deputy registrar when he or she does not have an effective appointment as a deputy registrar.

Q: May I photocopy a completed application before turning it in to the county voter registrar?

A: No. Section 13.004(c-1) of the Code requires the county voter registrar to ensure that certain information, such as the telephone number, on a registration application is redacted from photocopies of voter registration applications from her office. In our opinion, this means that a photocopy of an application must come directly from the county voter registrar's office, so that he or she may ensure the required information has been blacked out or otherwise obscured. With that said, we believe that a volunteer deputy registrar may photocopy the receipt. You may also copy the relevant information from the application in writing just as you would be able to do if you went to the registrar's office and pulled a copy of the original application.

Q: I am a candidate and/or working for a campaign. May I serve as a volunteer deputy registrar?

A: Yes. There is no prohibition against a candidate or a campaign worker serving as a deputy registrar, as long as they otherwise meet the "Qualifications" described above and have been officially appointed as a volunteer deputy registrar. Similarly, there is no prohibition against a volunteer deputy registrar registering voters at a campaign rally or event. While working a rally or public event, a volunteer deputy registrar must offer registration to anyone who requests it.

Q: Is there any way for me to become a statewide volunteer deputy registrar?

A: No. Volunteer deputy registrar appointments are made on a county-by-county basis. Section 13.032 of the Code provides that a county may not refuse to appoint a resident of the county as a volunteer deputy registrar. A voter registrar may not refuse to appoint a volunteer deputy registrar on the basis of sex, race, color, creed, or national origin or ancestry.

Q: Is there a minimum age to become a volunteer deputy registrar?

A: Yes. A person must be at least 18 years of age to become a volunteer deputy registrar.

Q: I just want to hand out blank voter registration application forms and encourage people to register to vote. Can I do that without being appointed as a volunteer deputy registrar?

A: Yes. Anyone can hand out blank application forms to voters for the voters to fill out and mail in themselves. If this is all you want to do, you do not have to be a volunteer deputy registrar. Also, if you are already a volunteer deputy registrar in one county, you can hand out blank forms in other counties where you are not a volunteer deputy. It is the voter's handing the application back to you to review and to deliver to the registrar that triggers the requirement to be an authorized volunteer deputy registrar.

Q: What if someone says he or she is already registered?

A: You may wish to advise the person that the new application form will be treated as an update if the old registration is in the same county and the voter is providing new information. If the person moved to a new county, he or she will need to register to vote in the new county.

Q: As a volunteer deputy registrar, may I appoint others to assist me in registering voters?

A: No. Each volunteer deputy registrar must be appointed directly by the county voter registrar or that registrar's deputy in the voter registrar's office.

Q: May a volunteer deputy registrar bundle completed applications and submit them to the voter registrar by mail?

A: No. There are two methods for a volunteer deputy registrar to submit applications to the county voter registrar. First, the applications may be submitted by personal delivery by the volunteer deputy registrar. Second, the volunteer deputy registrar may give his or her applications to another volunteer deputy registrar for personal delivery to the county voter registrar.

Q: I failed to submit the applications to the county voter registrar within the allotted period. What should I do now?

A: Submit them to the county voter registrar as soon as possible. Under the law, the voter's registration is not impacted by your late delivery to the voter registrar. However, you should deliver them as soon as possible. Further delay will create problems in getting the lists ready in time for early voting and election day. **The registration process cannot be completed until you deliver the application.** The registration is still effective and the voter still receives the effective date of submission to you.

Q: How long do I have to keep my receipt books?

A: It is not addressed in the Code, but we would suggest that you should retain the receipt books for 22 months following the election closest to the effective date of the applications. Please communicate with your county voter registrar, who may have their own timeline of retaining the receipt books.

Q: What if I was appointed but still have not gone through the training?

A: Until you have completed the training, you may not receive any person's voter registration application.

For more information, contact the Secretary of State's office or the Voter Registrar (who may be the County Clerk, Elections Administrator, or Tax Assessor-Collector) in your county.
