

### County Auditor Position

Nacogdoches County is now accepting applications for the position of county auditor. The position will become open February 11, 2012. Applicants must have a degree in accounting, be a competent accountant with at least two years' experience in auditing and accounting, be competent in public business details, and be a person of unquestionably good moral character and intelligence. Duties will include oversight of the department, audit the county's finances, oversee budget, prepare financial reports, accounts payable, and purchasing. Salary commensurate with experience. Applicants can send resume and references to Personnel Department, 101 W. Main St. Ste. 161, Nacogdoches, Texas 75961.
