Independent Auditor's Report

Nacogdoches County Juvenile Probation Board
Nacogdoches, Texas

We have audited the statement of revenues, expenditures and changes in fund balance - budget and actual - regulatory basis for the year ending August 31, 2009 of the Nacogdoches County, Texas Juvenile Probation Department Juvenile Probation Commission Grant Funds (the Department). This statement is the responsibility of the Department's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in the notes, the financial statement was prepared on the same basis of accounting used for reporting to Texas Juvenile Probation Commission, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As discussed in the notes, the financial statement presents the results of operations of the Department's Juvenile Probation Commission Grant Funds only, and is not intended to present fairly the financial position of Nacogdoches County, Texas and the results of its operations in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the results of its operations of the Department's Juvenile Probation Commission Grant Funds for the year ended August 31, 2009 in conformity with the basis of accounting described in the notes.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2010, on our consideration of the Department's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters.

Independent Auditor's Report

Nacogdoches County Juvenile Probation Board

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

This report is intended solely for the information and use of management of the Nacogdoches County Juvenile Board and for filing with the Texas Juvenile Probation Commission and is not intended to be and should not be used by anyone other than these specified parties.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Entity

The Texas Juvenile Probation Commission Grant Funds of Nacogdoches County, Texas were established to account for juvenile probation services funded by the Texas Juvenile Probation Commission in Nacogdoches County.

The Funds provide separate accountability for State Aid, as required by the Texas Juvenile Probation Commission. The Funds are used to account for each separate program and local matching funds and all related expenditures incurred.

The Juvenile Probation Department Texas Juvenile Probation Commission Grant Funds are the only funds included in these financial statements.

Basis of Accounting

The financial statements were prepared in conformity with the accounting practices prescribed by the Commission, which prescribes policies and procedures for county probation departments, which is a comprehensive basis of accounting other than generally accepted accounting principles. These accounting practices include the following:

Revenues are recognized when they become measurable and available, and, where applicable, are recorded when all eligibility requirements have been met. Expenditures are recognized when incurred, if paid within three months of the fiscal year-end.
- The accompanying financial statements do not represent financial statements prepared in accordance with provisions for governmental funds as prescribed by the Governmental Accounting Standards Board.
- The accompanying financial statements are prepared in a format to facilitate uniform financial reporting by county probation departments.

These funds are accounted for in the Governmental Fund category as Special Revenue Funds. The accounting period used in the preparation of financial statements for all funds of Nacogdoches County is October 1 through September 30. The accounting period used in preparing financial statements required by the Texas Juvenile Probation Commission is generally September 1 through August 31.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Nacogdoches County Juvenile Probation Board
Nacogdoches, Texas

We have audited the statement of revenues, expenditures and changes in fund balance - budget and actual - regulatory basis for the year ending August 31, 2009 of the Nacogdoches County, Texas Juvenile Probation Department Juvenile Probation Commission Grant Funds (the Department), and have issued our report thereon dated February 17, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Department's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Department's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Department's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Department's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Department's financial statement that is more than inconsequential will not be prevented or detected by the Department's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the Department's internal control.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Nacogdoches County Juvenile Probation Board

Page 2

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Department's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements; and general financial, progressive sanctions, salary adjustment, and IV-E assurances, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management of the Nacogdoches County Juvenile Board and for filing with the Texas Juvenile Probation Commission and is not intended to be and should not be used by anyone other than these specified parties.
