Re: Road Closure Request for:  
CR 706 at Yseleta Creek  
Nacogdoches County, CSJ: 0911-08-044

Dear Judge English:

The Texas Department of Transportation is preparing plans to replace the existing bridge at Yseleta Creek on CR 706. This project is scheduled to let to contract in March 2014 with construction beginning in the following weeks.

At this time, the bridge remains in operation. TxDOT plans to close this bridge to all traffic for approximately four months while the new bridge is built to eliminate the need to construct an expensive temporary detour and to minimize right-of-way acquisition.

Please indicate your concurrence, or non-concurrence with an explanation, and return this letter to me. The bridge location is shown on the attached map. Your assistance in this matter is greatly appreciated. You can reach me at 936-633-4409 or [nancy.smith@txdot.gov](mailto:nancy.smith@txdot.gov) if you have any questions about this project.

Sincerely,

Nancy A. Smith, P.E.  
District Bridge Engineer

I concur with the road closure at Yseleta Creek on CR 706

I do not concur with the road closure at Yseleta Creek on CR 706 because:
