**ADOPTED BUDGET**

**FOR THE FISCAL YEAR**  
**OCTOBER 1, 2020 TO SEPTEMBER 30, 2021**

Budget Highlights and Long-Term Planning

In preparing the budget, external issues affecting the budget were identified. For the FY 2021 budget, the following adjustments were made to recognize the possible economic impacts on our community due to the Coronavirus (COVID-19).

- The budgeted collection rate for current property taxes is set at 96% for FY 2021. The tax levy is projected at 100%, and the county traditionally budgets to collect 98% based on actual prior collections. During FY 2020, as of June 2020, actual property tax collections were \$590,000 below budget. At the same time the prior year, actual collections were only \$240,000 below budget. Considering the current trend and uncertain unemployment rates during FY 2021, Court set the conservative 96% rate.
- Per the budget cover page, the tax levy projection at 100% raised more revenue from property taxes than last year's budget by \$683,867 due to new property on the tax roll this year. For clarification, at the normal 98% collection rate, budgeted property tax revenue would increase by \$670,000 compared to the prior budget. But, with the adjusted collection rate of 96%, budgeted property tax revenue only increased \$268,000 compared to the prior budget which is only a portion of the growth provided by new property (\$719,967) in FY 2021.
- The General Fund revenue budget for county offices' Charges for services and court Fees and Fines was reduced by 50%. As of July 2020, for FY 2020, these revenues were less than the prior year by \$228,000 and \$262,000 less than the budget. This trend is expected into FY 2021. The 50% budgeted reduction was offset by allowances from current property taxes for debt service and mineral values. These "allowances" were budgeted as Transfers-Out to a permanent improvement fund for "one-time" capital improvements in the FY 2019 & FY 2020 budgets. For FY 2021, as a result of COVID-19, these allowances were budgeted to offset the anticipated collection reductions until the Courts and the economy reopen.
- Capital expenditures included in the budget have been delayed until January 2021 when possible. The FY 2020 preliminary financial statements are scheduled to be issued in early December 2020. The county's financial condition and cash flow will be reassessed by Court then.

## Budget Highlights and Long-Term Planning

- In the past, the County has adopted several financial management policies to provide guidelines to ensure its long-term financial health. The fund balance policy establishes guidelines for the general and debt service funds. It sets a minimum level of reserve funds in the general fund at 18%-25% of current budgeted expenditures and discourages any dependence on reserves to balance the general fund budget. It also sets a minimum level of reserve funds for debt service at 10%-15% of the following year's debt service requirements. Considering the wide range of financial challenges as a result of COVID-19, Commissioners' Court continues to budget to meet the fund balance policy for FY 2021.
