### Independent Auditor's Report

Nacogdoches County District Probation Department Nacogdoches, Texas

### **Opinion**

We have audited the accompanying financial statements of the Nacogdoches County District Probation Department (the "Department"), which comprise the combined statement of financial position as of August 31, 2024, and the related statement of activities for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined statement of financial position of the Department, as of August 31, 2024, and the related statements of activities for the year then ended, in accordance with the financial reporting provisions of TDCJ-CJAD described in Note 1.

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Department, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Emphasis of Matter—Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared by the Department, in accordance with the financial reporting provisions of TDCJ-CJAD, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of TDCJ-CJAD. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of TDCJ-CJAD, as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Department's internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Department's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Reporting Required by Government Auditing Standards

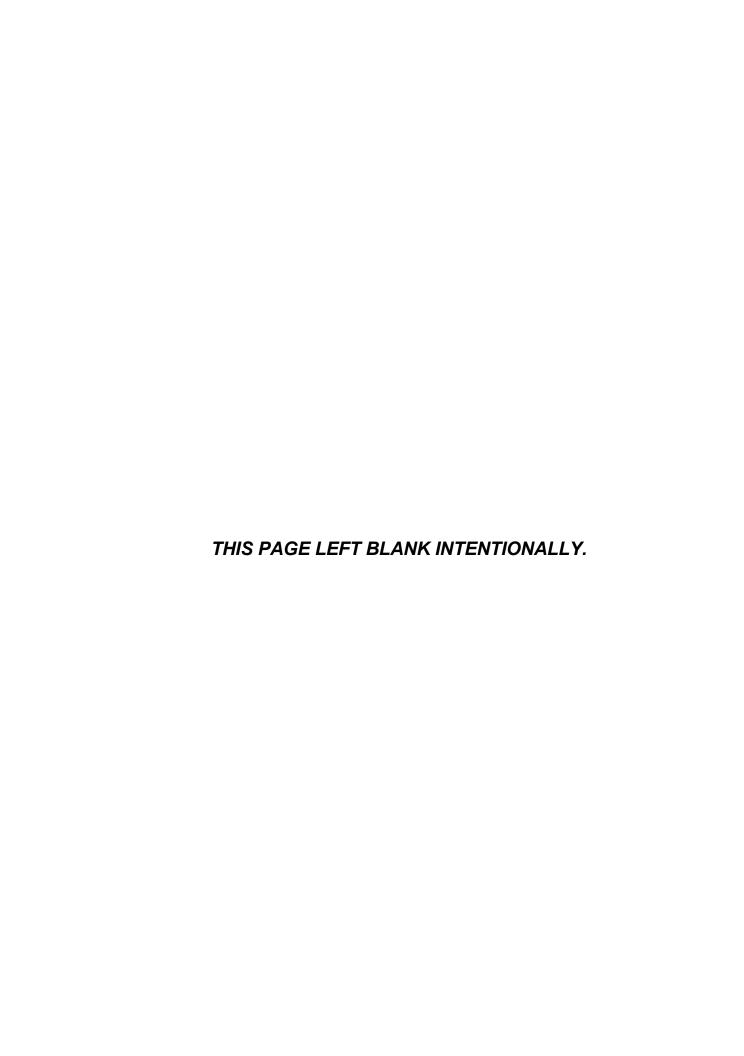

In accordance with *Government Auditing Standards*, we have also issued our report dated February 11, 2025, on our consideration of the Department's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Department's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Department's internal control over financial reporting and compliance.

### **Restriction on Use**

This report is intended solely for the information and use of management within the Department, others within the Department and the Texas Department of Criminal Justice - Community Justice Assistance Division, and is not intended to be and should not be used by anyone other than these specified parties.

Notes to the Financial Statements For the Year Ended August 31, 2024

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## **Reporting Entity**

The accompanying financial statements include the revenue of the Nacogdoches County District Probation Department (the "Department") related to the receipt of funds administered by the TDCJ-CJAD from state appropriations for the Basic Supervision Fund, Community Corrections Funds, Diversion Program Grant Funds, local fees collected for the use of the Department, and the expenditure of those funds.

The Nacogdoches County District Probation Department, a special purpose district of state government, was organized to provide certain adult probation services to judicial districts.

### **Basis Of Accounting**

Since the Department receives funding from state government, it must comply with requirements of the State. Therefore, the financial statements were prepared using the basis of accounting prescribed by the TDCJ-CJAD, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Basis of accounting refers to the time at which revenues and expenditures are recognized in the accounts and reported in the statements. The accounts of the Nacogdoches County District Probation Department are organized based on fund accounting, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in a fund based upon the source of the funds and the purposes for which they may be spent and the means by which the spending activities are controlled for the specific activities in accordance with laws, regulations, or other restrictions. Revenues and expenditures are accounted for using either the cash basis of accounting or the modified accrual basis of accounting must be used.

The modified accrual basis of accounting is followed in that revenues are recorded when susceptible to accrual: i.e., earned, measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Revenues received by October 31 for financial activity performed by August 31, are considered available. Also, purchases for which the commitment has been established by August 31 are considered liabilities regardless of whether possession of these goods has been received by August 31, provided that the liability purchased is received and is paid by October 31. Exception to this method of accounting is the recording of refunds to the State as reductions of Fund Balance.

Funds of the Nacogdoches County District Probation Department are grouped into the custodial fund type for the purpose of operation on the Nacogdoches County, Texas accounting system. Accounting custodial funds are accounts established for deposit and disbursement of funds which are not controlled through the Nacogdoches County, Texas budget process and are held in purely a custodial capacity.

Notes to the Financial Statements For the Year Ended August 31, 2024

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

## **Budgets (Accounting And Legal Compliance)**

Pursuant to Government Code, Section 76.004 and 76.002, the budgets governing the funding to the programs are prepared biennially, then approved by the district judges with jurisdiction over the Department and by the TDCJ-CJAD.

Only budget adjustment requests, at year-end, received by November 30 will be reviewed and approved/disapproved by TDCJ-CJAD. TDCJ-CJAD will not accept budget adjustments after November 30, for the previous fiscal year. Only budget adjustments approved by TDCJ-CJAD should be referred to in performing the financial audit.

### **NOTE 2. PRIOR PERIOD ADJUSTMENTS**

There were no prior period adjustments in the fiscal year ending August 31, 2024.

### NOTE 3. REFUNDS

There were no refunds in the fiscal year ending August 31, 2024.

#### **NOTE 4. BUDGET VARIANCES**

There were no excess expenditures over budgets in individual programs that required disclosure.

## NOTE 5. CASH, COLLECTIONS, CHANGE FUND, PETTY CASH AND INVESTMENTS

Collection or clearing accounts are trust funds and must be covered by pledged collateral to cover the estimated highest daily balance of funds operating in conjunction with or through the county depository by the Department.

The Department's state aid and net funds (revenues) received were deposited and held, and collection accounts' remaining net funds (revenues) were transferred into a special fund of the county treasury, on or before the next regular business day, or on or before the fifth business day after the day on which the money was received. All the Department's state aid and net funds (revenues) received were held, deposited, disbursed, invested and otherwise cared for by the County on behalf of the Department as the Department directed (Government Code 509.011(c) and Local Government Code 113.022 and 140.003(f)).

Employees who have access to public funds are covered by a surety bond, as well as employees who maintain and administer public funds and change funds.

Notes to the Financial Statements For the Year Ended August 31, 2024

## NOTE 5. CASH, COLLECTIONS, CHANGE FUND, PETTY CASH AND INVESTMENTS - Continued

The Department has no change funds.

The Department has no petty cash.

Idle funds are invested in interest bearing accounts.

### Independent Auditor's Report

On Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* for Nacogdoches County District Probation Department, Nacogdoches, Texas

Nacogdoches County District Probation Department Nacogdoches, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Nacogdoches County District Probation Department (the "Department"), as of and for the year ended August 31, 2024, and the related notes to the financial statements, which collectively comprise the Department's basic financial statements, and have issued our report thereon dated February 11, 2025.

## Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Department's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Department's internal control. Accordingly, we do not express an opinion on the effectiveness of the Department's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Nacogdoches County District Probation Department Page 2

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Department's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FY 2024 TDCJ-CJAD Compliance Checklist For the Year Ended August 31, 2024

### **Deposits and Disbursement Requirements,** (Questions 25-28)

Government Code, Section 509.011 (c) Each department, county, or municipality shall deposit all state aid received from the division in a special fund of the county treasury or municipal treasury, as appropriate, to be used solely for the provision of services, programs, and facilities under this chapter or Subchapter H, Chapter 351, Local Government Code.

Local Government Code, Section 140.003 (f) Each specialized local entity (CSCD) shall deposit in the county treasury of the county in which the entity has jurisdiction the funds the entity receives. The county shall hold, deposit, disburse, invest, and otherwise care for the funds on behalf of the specialized local entity (CSCD) as the entity (CSCD) directs. If a specialized local entity has jurisdiction in more than one county, the district judges having jurisdiction in those counties, by a majority vote, shall designate from among those counties the county responsible for managing the entity's funds.

Local Government Code, Section 113.022 (a) A county officer or other person who receives money shall deposit the money with the county treasurer on or before the next regular business day after the date on which the money is received. If this deadline cannot be met, the officer or person must deposit the money, without exception, on or before the fifth business day after the day on which the money is received. However, in a county with fewer than 50,000 inhabitants, the commissioner's court may extend the period during which funds must be deposited with the county treasurer, but the period may not exceed 15 days after the date the funds are received. (b) A county treasurer shall deposit the money received under Subsection (a) in the county depository in accordance with Section 116.113(a). In all cases, the treasurer shall deposit the money on or before the seventh business day after the date the treasurer receives the money.

Local Government Code, Section 113.001. COUNTY TREASURER AS CHIEF CUSTODIAN OF MONEY. The county treasurer, as chief custodian of county funds, shall keep in a designated depository and shall account for all money belonging to the county.

Local Government Code, Section 116.113. DEPOSIT OF FUNDS. (a) Immediately after the commissioner's court designates a county depository, the county treasurer shall transfer to the depository all of the county's funds and the funds of any district or municipal subdivision of the county that does not select its own depository. The treasurer shall also immediately deposit with the depository to the credit of the county, district, or municipality any money received after the depository is designated.

Local Government Code, Section 116.115. CLEARINGHOUSE FOR MULTIPLE DEPOSITORIES. If the funds of a county are deposited with more than one depository, the commissioner's court shall by order name one of the depositories to act as a clearinghouse for the others. All county orders for payment are finally payable at the depository named as the clearinghouse.
